Bristol Remembered DVD

Bristol Remembered is a photo history of Bristol, CT prepared by local historian Tom LaPorte. The first part of the program contains images of Bristol from one hundred years ago up to the present. Classic shots of Main and North Main Streets bring back warm memories of a vibrant downtown Bristol. The second part interestingly shows a series of historic sites, which dissolve into the present. Tom took the present shots from the exact spot where the historic shots had been taken. All showings have had an enthusiastic reception. The *Bristol Remembered* DVD is a thoughtful gift for family and friends.
